Win a Power Screen worth up to £5,000 for your Grand Design Project!

Visit Phantom Screens on Stand B20 for your chance to win an automated power screen. Phantom Screens is the UK's leading manufacturer of home-automated power screens - made up to 12m wide in a single span. Phantom's power screens discreetly manage solar gain and privacy for large bifold or sliding doors and glazed extensions, without impacting clean architectural lines. Phantom Screens can be recessed to retract completely or fitted to an existing doorway and colour-matched to complement interior schemes.
